Business @ South Wolds Year 12 Roadmap

Subject Aim:

- To know and understand business concepts, business terminology, business objectives, the integrated nature of business activity and the impact of developing a business.
- To create a framework across the two themes that will allow students to build upon this for Theme 3 and Theme 4 in Y13.

	Theme 3 and Theme 4 in Y13.			
	THEME 1	THEME 1	ASSESSMENT	
AUTUMN TERM		1.3 Marketing Mix and Strategy Students will focus on the different elements of the marketing mix which include the design of a product, branding and promotion, decisions on pricing strategies & distribution.	Students will be assessed through multiple choice assessments at the end of each topic. The first written assessment will take place in Jan/Feb (1/2 an AS paper – 45 mins) Mock week will take place in June (a full AS paper – 1 1/2 hrs) Regular testing of knowledge and ability to answer exam	
			questions will take place in lessons and for homework.	
	THEME 1	THEME 2	REVISION	
SPRING TERM	 <u>1.4 Managing People</u> Students will focus on how employees work within a business, how they are recruited, the design of the organisation, how to motivate. <u>1.5 Entrepreneurs and Leaders</u> Students will focus on the role and characteristics of an entrepreneur. This links to understanding crucial decisions leaders need to make, including the setting of objectives, the form of the business and how a leader can become successful. 	Students will focus on sources of finance that businesses use for investments and the creating of businesses. This links to the liability	Specification checklist on Teams Class notes Mind maps Plus, past exam papers – link on Teams Exams skills practice carried out in class and for homework ENRICHMENT There is a focus on recruitment, helping students to understand how to apply for jobs. There is a focus on budgeting, to enhance students' own skills.	
	THEME 2	THEME 2	INDEPENDENT STUDY	
SUMMER TERM	Inewie 2 2.3 Managing Finance Students will focus on how to calculate different types of profit and profit margins as well as how this can be improved. Students will also learn about how businesses manage assets and liabilities. 2.4 Resource Management Students will focus on different types of production, productivity, capacity utilisation, stock control and quality management.	2.5 External Influences Students will understand what influences there on a business that is out of their control. This includes economic influences, legislation and the competitive environment.	Flip learning is used regularly. This is where students are asked to read chapters of their text book in advance, take notes and be ready for an in- class assessment on their reading. This can take place in many different forms: quizzes/team activities/ presentations	

Where Next?

Moving to Y13 content which focuses on bigger businesses strategy planning and businesses going global. This will build upon Theme 1 & Theme 2 (which is expected by the exam board). This will be revisited through revision, homework and quizzes.
